ADDITIONAL

Certified OEKO-TEX® Standard 100

The STANDARD 100 by OEKO-TEX® is a worldwide consistent, independent testing and certification system.

To attain Oeko-Tex Standard 100 certification, the fabric has been tested and certified to be free from harmful levels of more than 100 substances.

Billions of plastic bottles go into landfills every year. But now you can do something about it. Our new Home Grown collection is our first garden brand which uses WasteNot™ yarn. WasteNot™ yarn is made from 100% recycled PET bottles. PET stands for polyethylene terephthalate which is a form of polyester. Plastic bottles made from PET are recycled and turned into polyester to make gloves.
